To all applicants for the use of the "Clock Park" electronic sign:

The cost of powering and controlling the Clock Park sign is and for a long time, has been paid for by the Clio Area Chamber of Commerce. It costs the Chamber about \$1,500 per year for electricity and to maintain the phone line to operate the sign.

Like just about everyone, the Chamber has to watch its expenses now more than ever. Therefore, we have found it necessary to require NON-MEMBERS of the Chamber to pay for use of the sign. This includes non-profit community organizations.

As noted below, the cost is \$20 for seven days, if you do not belong to the Chamber. Payment **MUST** be made with the application.

If your organization wishes to join the Chamber, please fill out the attached application. Annual dues are \$30 for non-profits. (That is only \$10 more than a one-time sign use. If you are not sure if your organization is a member, please call Doug at 810-874-6845.

Thank you for your understanding and co-operation.
